Case No. MP-91-31

By Order No. 3846, served November 14, 1991, Certificate of Authority No. 160 was suspended for failure of Videovue International, Ltd., trading as Videovue Tours (Videovue) to maintain evidence of insurance on file with the Commission. This proceeding was instituted pursuant to the Compact, Title II, Article XI, Section 10 to determine whether Videovue's Certificate No. 160 should be revoked. Videovue was directed within 30 days to comply with the Compact, Title II, Article XI, Section 7(f) and Commission Regulation No. 58. Videovue was further directed to file within the same 30-day period an appropriate certificate of insurance or other evidence to show good cause why its Certificate of Authority No. 160 should not be revoked.

The time for filing a new certificate of insurance or other pertinent evidence elapsed on December 16, 1991, without a filing of any type by Videovue. Thus, pursuant to the authority of the Compact, Title II, Article XI, Section 10, Certificate of Authority No. 160 will be revoked for Videovue's failure to comply with both a lawful order and a regulation of the Commission.

THEREFORE, IT IS ORDERED:

1. That Certificate of Authority No. 160 of Videovue International, Ltd., trading as Videovue Tours is hereby revoked.

2. That Videovue International, Ltd., trading as Videovue Tours is hereby directed to remove from its vehicles, within 10 days of the date of this order, all identification relating to operating authority from this Commission.
